M S MOHAMMAD ABBAS

Software Engineer | Full Stack Developer | Python | Django | REST APIs | JavaScript

+91 74117 25609 | mohammedabbas50605@gmail.com | github.com/MSAbbas-21 | linkedin.com/in/mohammed-abbas

PROFESSIONAL SUMMARY

Entry-level Software Engineer (BCA, 8.5 CGPA) with hands-on experience across the software development life cycle: requirement analysis, design, coding, testing, debugging, and support. Junior Developer Trainee building and maintaining features for a live enterprise trade-finance application, with experience in version control, bug fixing, and code reviews. Full stack developer skilled in Python, Django, Django REST Framework, JavaScript, SQL, HTML5, CSS3, and Tailwind CSS, with experience building backend services, REST APIs, and user-centric GUIs. Completed Introduction to Generative AI certification. Seeking a Software Engineer role developing systems, cloud, and AI software in a collaborative team environment.

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL

Backend: Django, Django REST Framework (DRF), REST APIs, Backend Development, Django ORM, MVT Architecture

Frontend: HTML5, CSS3, JavaScript, Tailwind CSS, GUI Development, Responsive Web Design

Database: SQLite, Relational Database Design, CRUD Operations

Core Concepts: OOP, Data Structures & Algorithms, SDLC, Requirement Analysis, Software Design, Authentication & Authorization, Session Management

Tools: Git, GitHub, SVN (TortoiseSVN), VS Code, JSON, Debugging, Bug Fixing, Problem Determination, Code Reviews

AI & Integration: Generative AI (fundamentals), REST API Integration, Full Stack Development

PROFESSIONAL EXPERIENCE

Junior Developer Trainee | Unique Force *May 2026 – Present*

Working in an enterprise application environment involving Oracle Database 19c, JavaScript, and web application technologies.

Writing and executing SQL queries in Oracle 19c for data retrieval, validation, and troubleshooting.

Analyzing application issues by tracing data between the application and database layers.

Working with JavaScript for client-side functionality, form handling, validation, and dynamic web-page behavior.

Gaining exposure to IBM WebSphere Application Server 9 and understanding its role in the enterprise application environment.

Assisting with application troubleshooting across the frontend, application server, and database layers.

Working with senior developers to investigate bugs, understand application workflows, and implement assigned fixes.

PROJECTS

ShopSphere – Full-Stack E-Commerce Web Application

Python | Django | Django REST Framework | SQLite | Tailwind CSS | Git

Analyzed requirements and developed a full stack application with RESTful APIs for product, category, cart, and order management, using Django REST Framework and Django ORM.

Implemented authentication-related functionality and structured application data using Django models and relational database concepts.

Built responsive, user-centric GUI interfaces using Tailwind CSS and integrated them with the backend APIs.

Maintained the project using Git and GitHub with structured version history.

College Voting Management System

Python | Django | SQL | HTML5 | CSS3 | JavaScript

Designed and developed an end-to-end voting management application (backend and GUI) with candidate listing, vote casting, and live results using Django and SQL.

Implemented a one-vote-per-user policy using authentication and session validation.

Smart Student Management System

Python | Django | SQL | HTML5 | CSS3 | JavaScript

Designed and developed a student records management system with role-based access, admin dashboard, and RESTful CRUD services.

Added JavaScript form validation and dynamic content rendering to improve user interaction.

CERTIFICATIONS

Introduction to Generative AI — Simplilearn SkillUp | Completed June 2026 | View Certificate

Programming with Python 3.x — Simplilearn SkillUp | Completed June 2026 | View Certificate

EDUCATION

Bachelor of Computer Applications (BCA) — CGPA: 8.5
Sri Matha Degree College

Complete Python Full Stack Development Course — J Spiders, Bengaluru

Pre-University Course (PUC) — 70%
Little Flower Composite PU College
